Notice Regarding Some News Reports

Between 20 and 21 January, Nikkei Inc. reported that we have given preferential negotiation rights to a U.S. investment fund for the sale of Mitsubishi Tanabe Pharma Corporation, but this was not announced by our company.

We are continuously reviewing the ideal business portfolio of the entire group for all of our businesses, including the Pharma business, and are promoting portfolio reform with all options, including divestiture, in mind. We will promptly disclose any facts that should be disclosed in the future.
