**MU Ionic Solutions receives Asia IP Elite 2025 award from IAM
in recognition of Strategic Excellence in Electrolyte Licensing Business**

Mitsubishi Chemical Corporation
MU Ionic Solutions Corporation

MU Ionic Solutions Corporation (Head Office: Chiyoda-ku, Tokyo; President: Kenichiro Mawatari; hereinafter, "MUIS"), a subsidiary of Mitsubishi Chemical Corporation (Head Office: Chiyoda-ku, Tokyo; President: Manabu Chikumoto; hereinafter, "MCC"), has been selected for the Asia IP Elite 2025 by Intellectual Asset Management (IAM), an internationally renowned media outlet specializing in intellectual property (IP).

Each year IAM recognizes companies and organizations in the Asia-Pacific region that treat intellectual property as a strategic business asset and actively leverage it or manage disputes — the Asia IP Elite. In 2025, 101 companies and organizations were selected, including 25 from Japan.

MUIS was chosen in recognition of its strengthened patent-licensing business¹ and strategic excellence, fully supported by MCC. MCC and MUIS will continue to work together to create value through leveraging IPs, pursuing continuous innovation and further contributions to the global battery industry.

(At the Asia IP Elite award ceremony held on November 19, 2025.

From left, Kanako So, Senior Manager of Intellectual Property Department 1, MCC; Kenichiro Mawatari, President & CEO of MUIS; and Yoichi Ohashi, Senior Manager of Performance Design Group at R&D Center, MUIS)
